June 25-27

Dance classes provides a warm and nurturing environment and are set to popular Disney music! Movements and exercise will concentrate on posture, coordination, rhythm and developing self-confidence. Snack time will be used to re-energize and enforce manners. Craft time gives the dancers a chance to explore the visual arts and focuses on creating a self portrait and royal accessories. Offering 3 intensives options at our studios on the main line! Wayne Ballet faculty along with guest teachers offer classes in ballet, pointe, modern, jazz, theater dance, hip-hop. Special workshops and master classes are supplemented with daily stretch and strengthening. Each intensive week ends with an in-studio showing for parents where dancers perform the choreography they learned throughout the week. Dancers do not need to be attending Wayne Ballet's regular season program to sign up for the intensive. We invite interested dancers to contact us for more information on leveling for our intensive weeks. Our end of summer intensives are a great way to jump start the fall season of dance!
